

Tourney Prizes

The prizes given out at each of the Callippe home tournaments are done using credit in the Callippe Pro Shop. Each member has a credit account in the Pro Shop, and after each tournament the members who are "in the money" get the appropriate amount of dollars added to their credit account. Make sure to wait up to 1 week to get this credit added.

The credit can be used for any merchandise in the Pro Shop, and can also be used for golf. Basically, anything that can be purchased in the Pro Shop can be done with credit. This does not include food in the restaurant because the credit cannot be accessed there.
