Note that your match play scores will be used for the Callippe local handicap. Strokes are rolled off the lower handicap person. (example: if player "A" has a course handicap (C.H.) of 2 and player "B" has a C.H. of 7, player "B" will receive 1 stroke on each of the 5 hardest holes)

Callippe Cup points are awarded as follows: 40 points for entering tourney, plus 20 points for the winner of each group, 10 points for the runner up in each group, and 10 points for each win thereafter. When a male plays against a female, the hole handicaps from the one <u>receiving</u> the strokes are used. Match Results	Both players will be responsible for submitting match results to the Tournament chair person. Please send e-mail to sterry580@yahoo.com upon completion.
Ties/Playoff Procedure for Knockout Rounds	In the event of a tied match after 18 holes, the match will be decided in one of the two methods below. 1st option- Play off: Talk with the Callippe staff to see if continuing the match on hole #1 is possible. IF that is allowed, continue the match in a sudden death playoff. First person to win a hole, WINS. Strokes would be given the same as they were during the 18 holes. Please leave the course as soon as a winner is determined, do not continue to play. 2nd option- The two players agree to either, putt off, chip off, or flip a coin.
Posting Scores	For the 2016 Summer Long Match Play Tournament the following score posting policy will be observed. 1. All Scores will be posted by the Handicap Director 2. Scorecards must be placed in the box next to the posting computer. 3. Scorecards must include golfer's names, handicaps and date of play. 4. Tournament Director (Scott Terry) & Handicap Director should be notified by email with the result of the match. For GHIN system posting, play will be considered concluded once the match is decided. If a match is decided beyond 18 holes only scores from the first 18 holes will be used when posting. If the match is decided prior to the 18th hole then a score of NET par will be recorded for any remaining holes, even if you play the holes. Thus if a match is decided on hole 15 the scores for the remaining 3 holes will be equal to NET par based upon the hole handicap rating and player handicap. You may continue to play the remaining holes but the scores on these holes will not be used when posting.
